

Your GOTV Calling Script

OPENING

Hi there, I'm XX! Are you aware that the upcoming [XX] elections are happening on [XX]? Regardless of your political stance, your vote matters! Can I count on you to head to the polls?

NO

It's super important that you make your voice heard, especially given our current context in XX. Voting is a fundamental part of democracy, letting you advocate for what you believe in.

**DON'T
AGREE**

EXPLAIN & UNDERSTAND

I'm not here to persuade you to vote for any specific candidate, but rather to emphasize why voting matters.
Have you considered why you weren't planning to vote? Your participation can truly make a difference. Even if you feel your preferred candidate might not win, your vote still carries weight!

Thank you!

YES

Great! Do you need information about the nearest polling station? I can provide details on its location and opening hours if you need.

YES

No worries, I can check that for you! Let me grab your contact info and I will get back to you ASAP by email or phone.
